

## Johnson Lake Development Yard Waste Site

JLDI provides a grass dump for the personal use of all leased lot owners at the lake and is funded by a portion of the lease fees paid to CNPPID each year. Landowners in Lakeview Acres, Merriweather Addition, Pelican Bay and Wade Addition may purchase an annual permit for their personal use.

The dump site is located 3/4 mile west of the intersection of highway 283 & Road 748. Road 748 is the first gravel road south of the golf course.

JLDI asks everyone to adhere to the guidelines and help to keep the dump site clean. Abuse of the site will result in card deactivation and loss of access to the grass dump.
